II. RULEMAKING

Dr. Leone reminded members of the public that this special meeting was not a rulemaking hearing and thus there was no formal process for public testimony, as there were no proposed rules noticed for public review. He invited the members of the public to provide feedback during the Board's discussion and to offer any written materials to Maulid Miskell for consideration by the Board.

The Board commenced discussion of the revised Veterinary Practice Act (SB 11-091) as well as both HB 11-1003 and HB 11-1100, and the impact these new laws would have on current Board Policies and Rules.

After careful consideration of these new laws, a motion was made, seconded, and carried to notice a rulemaking hearing for November 3, 2011.
